Lakeland Families,

This will be our final Special Edition of the 2017-18 school year, a May/June combination. I can’t believe how quickly the year flew by. It feels, just like last month, I was welcoming everybody back to the start of a new school year!

The upcoming weeks are a very exciting time of year as the weather finally begins to warm up and we start to look forward to all of the “End of the Year” activities. It has been so enjoyable seeing all of the growth that the students have made throughout the year!

I would like to thank all of the students, families, and staff for making this year such a memorable one. The consistent communication and collaboration between school and home is what makes our Lakeland Family bond so strong!

Thank you for your continued support!
