

Are you interested in Special Olympics?

At Lakeland School, we offer basketball for High School 1 and 2 students, swimming for all ages (based on a tryout of swimming one length of the pool unassisted), snowshoeing/downhill skiing/snowboarding for Middle School and High School 1 and 2 students (based on experience), and track and field for elementary through High School students.

Physicals are due to the Special Olympics Office by December 1st to participate in winter sports.

If you are interested, a Special Olympics physical form must be completed by a doctor.

The form can be obtained by downloading it from the website at:

www.specialolympicswisconsin.org

Younger children must be accompanied by a parent or guardian to events.

Any questions can be sent to Lynda Pinnow, the Special Olympics Agency Manager of Lakeland School, at: lpinnow@co.walworth.wi.us

Thank you!
