## **Work on WIS 67 in Walworth County to begin**

Beginning April 16, the Wisconsin Department of Transportation (WisDOT) is scheduled to begin a road improvement project along WIS 67, between WIS 50 and the city of Elkhorn, in Walworth County. As part of this project, WisDOT is partnering with the city of Elkhorn to expand WIS 67 in their city limits for an incoming development.

**Improvements:**

- The roadway will be improved with a mill and overlay
- At the intersections, an additional lane will be placed to accommodate bypass traffic and right turns
- The bridge over Jackson Creek will receive maintenance and safety improvements
- WIS 67 will be expanded at O'Connor Drive and Commerce Drive for additional turn lanes

**Traffic Impacts:**

- The roadway will be closed to through traffic, but open to residents and businesses along the project, as well as emergency vehicles.
- The posted detour is I-43 to WIS 50.

The contractor, Payne & Dolan, Inc. is planning on completing the \$3 million project this fall. The schedule of work is weather dependent and subject to change.

More information can be found on the project website at: <https://projects.511wi.gov/67walw/>
