Good morning,

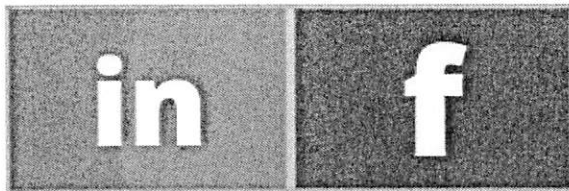

On Thursday, January 13, 2022 the US Supreme Court ruled on the OSHA ETS. The Court granted a stay, which puts enforcement of the temporary rule on a legal “hold” until the merits of the case are resolved in the lower courts. Since the highest Court has spoken on the issue, this action may signal the end of the OSHA ETS.

Walworth County will not move forward with the collection of vaccination status at this time. As you will recall an email was sent Thursday, January 6, 2022 asking for employees to declare their vaccination status to Human Resources by Friday, January 21, 2022. Again, at this time employees **do not** need to send Human Resources information regarding their vaccination status. Thank you to those who did submit this information and, rest assured, your information remains confidential.

Please note: This does not apply to Lakeland Health Care Center (LHCC). All employees, contractors, students, interns and volunteers of Lakeland Health Care Center (LHCC) who work within the facility on a scheduled basis; will continue to follow Administrative Procedure 4-220-Mandatory COVID-19 Vaccination for Lakeland Health Care Center.
