RE: my letter dated 07-09-2023

I have not heard from anyone regarding my claim for damage to my truck. What is the status of this claim. I want to get this repaired as soon as possible. I cannot get estimates until I have your insurance information and claim number.

Please have someone contact me. Thank you

On June 21, 2023 at approx. 1:30pm I was traveling north bound on Hwy 43 between East Troy and Mukwonago. A highway worker was mowing the grass in the median. Stones flew up from the mower. One struck and chipped my windshield; I heard others hit the side of my truck with a larger one hitting my driver's side rear door creating a large dent.

On June 27, I went to the highway department to report the incident.

My truck is a 2021 Ford F150 Black Widow edition with only 8,000 miles. I can provide photos if you would like.

I have attempted to get 2 estimates but both shops require insurance information and claim number and a contact person before they will give an estimate. As soon as I have the info, I will obtain estimates and forward them to you.

Thank You
