**Old Business – None**

**New Business – Variance Petitions**
The First Hearing was Michael J. Rabe Trust, owner / Michael & Jennifer Rabe, applicants – Section(s) 18 – Linn Township

Applicants are requesting a variance from Section(s) 74-181 / 74-219 / 74-221 of Walworth County’s Code of Ordinances – Shoreland Zoning to construct a single-family residence.

REQUIRED BY ORDINANCE: The Ordinance requires an approximate 10 foot established rear yard setback.

VARIANCE REQUEST: The applicants are requesting a 3.05 foot rear yard setback. The request is a variance from Section(s) 74-181 / 74-219 / 74-221 of Walworth County’s Code of Ordinances – Shoreland Zoning to construct a single-family residence.

BOARD OF ADJUSTMENT DECISION: The Walworth County Board of Adjustment, during the meeting of June 10 & 11, 2020, for the petition of Michael J. Rabe Trust, owner / Michael & Jennifer Rabe, applicants, voted to MODIFY AND APPROVE the request for a 3.05 foot rear yard setback. Approval was modified to a 5’ rear yard setback.

A motion was made by Ann Seaver to deny for discussion the variance request. Seconded by Barb Fischer.

Ann Seaver rescinded her motion to deny.

Ann Seaver motioned to modify the variance approval to a 5 foot setback. Seconded by Barb Fischer. Motion carried. 3-favor 0-oppose

BOARD OF ADJUSTMENT FINDINGS: The Board found unique property limitation in the small lot size. The Board found that an addition to the original home was allowed 3 feet from the rear lot line by virtue of a previous variance. The Board found many of the area homes had small rear lot line setbacks. The Board found that a neighboring property owner raised concerns over water runoff as well as property encroachments with items like barbeque grills. The Board felt the potential water problems were being addressed by not including a basement or crawl space in the proposed home as well as the possibility of using drywell systems to capture water. The Board found that the applicants indicated they could grill in another area of the lot. The Board found that 3 feet is not enough room to avoid encroachments on the neighbor. The Board found a 3.05’ rear yard setback to be large increment of relief and insufficient space to allow for maintenance of the home. The Board found that modifying the variance to 5 feet would allow the residence to be replaced while still allowing room to manage potential encroachments on the neighboring property. There was a letter of support from the Town of Linn. A neighboring property owner spoke in opposition and submitted a letter in opposition.

The Second Hearing was Nandette Inc., owner / Nandette Inc., John Holt, Pres., applicant – Section(s) 32 – Sugar Creek Township

Applicants are requesting a variance from Section(s) 74-51 of Walworth County’s Code of Ordinances – Zoning to complete a farm separation.
REQUIRED BY ORDINANCE: The Ordinance prohibits the farm separation parcel from exceeding 5 acres.

VARIANCE REQUEST: The applicants are requesting a 7.207 acre parcel. The request is a variance from Section(s) 74-51 of Walworth County’s Code of Ordinances – Zoning to complete a farm separation.

BOARD OF ADJUSTMENT DECISION: The Walworth County Board of Adjustment, during the meeting of June 10 & 11, 2020, for the petition of Nandette Inc., owner / Nandette Inc., John Holt, Pres., applicant, voted to APPROVE the request for a 7.207 acre parcel.

A motion was made by Ann Seaver to approve the variance request. Seconded by Barb Fischer. Motion carried. 3-favor 0-oppose

BOARD OF ADJUSTMENT FINDINGS: The Board found unique property limitations in the layout of the farm and the buildings. The Board found to deny the variance would create an unnecessary hardship. The Board found that denial would create an odd shaped remnant parcel with a 2.207 acre area that would not be easy to maintain as farmland. The Board found approval would square up the parcel. The Board found the 2.207 acre area to be more compatible with the buildings rather than the rest of the farm. The Board found no harm to the public interests. The Board found the request meets the purpose and intent of the ordinance. The Board found the 2.207 acre area is being used for agriculture as a pasture. There was a letter of support from the Town of Sugar Creek. There was no opposition.

The Third Hearing was Robert & Helen Macmillan, owners / John Spanton, Spanton Contracting LLC, applicant – Section(s) 34 – La Grange Township

Applicants are requesting a variance from Section(s) 74-165 of Walworth County’s Code of Ordinances – Shoreland Zoning to construct an accessory structure.

REQUIRED BY ORDINANCE: The Ordinance requires a 10 foot street yard setback.

VARIANCE REQUEST: The applicants are requesting a 5 foot street yard setback. The request is a variance from Section(s) 74-165 of Walworth County’s Code of Ordinances – Shoreland Zoning to construct an accessory structure.

BOARD OF ADJUSTMENT DECISION: The Walworth County Board of Adjustment, during the meeting of June 10 & 11 2020, for the petition of Robert & Helen Macmillan, owners / John Spanton, Spanton Contracting LLC, applicant, voted to APPROVE the request for a 5 foot street yard setback.

A motion was made by Ann Seaver to approve the variance request. Seconded by Barb Fischer. Motion carried. 3-favor 0-oppose

BOARD OF ADJUSTMENT FINDINGS: The Board found unique property limitations in the steep slopes and complex topography of the property. The Board found to deny the request would cause unnecessary hardship. The Board found the options for placement of a garage on
the parcel are limited by the existing well, the slopes of the property and the structures already existing on the property. The Board found to approve the variance request would cause no harm to public interests. The Board found to approve the request would not harm the public’s interest in navigable waters. There was a letter of support from the Town of LaGrange. There was no opposition.
