

Mailing Address Change

If you need your mailing address changed for your parcel(s), please redirect to [Walworth County Ascent Land Records](#). You can search for your property record and click "Request Mailing Address Change". This request may take 24-48 hours to update on the website. For directions on how to make a request, please see below:

Step One:

- Use only **ONE** search field at a time, with the minimal amount of information you are positive is accurate. Example: If you type "Oak Rd" but the address is in land records as "Oak St", no results will return. In this case, just search on "Oak" within the **Address** field(s).
