

LAKELAND SCHOOL
ART SUPPLY LIST
2020-2021

Due to the Covid-19 virus the art supply list is a little different for the upcoming school year. In an effort to keep everyone safe and healthy and to prevent possible spread of the virus I am changing the expectations in the art room regarding using materials for the entire school community in a shared format to an individual format.

- Students will be required to have a separate supply box just for the art room in addition to their regular classroom supply box.
- The boxes will be stored in the art room with the individual **student's name clearly marked on the outside of the box.**
- Each of these supply boxes will be stored in separate areas for each department.
- Students will NOT be allowed to bring their regular classroom supply box into the art room to reduce any chance of potential spread.
