September 14, 2020

Dear Lakeland Families,

We are pleased to announce that effective Monday, September 14, 2020, Lakeland School is participating in the Seamless Summer Option (SSO), which will provide free school lunch for every student regardless of individual eligibility.

Following are a few very important details regarding this temporary program:

- This free lunch offering is for a limited time. The program runs through December 31, 2020 *or* when the program is cancelled, whichever is sooner.
- One lunch including one milk will be available, free of charge to all students attending face-to-face learning. We are exploring options to serve our distant learners as well and will keep you posted.
- Charges for additional entrée items and/or milk remain in effect at the following rates: additional entrée EC-Elem = \$3.00 | MS-LSYou = \$3.50 | additional milk = \$.50
- Payments are required for existing lunch account balances. A statement is enclosed with the current amount owed highlighted in **yellow**.

We are excited to be able to extend this free meal benefit and, as always, are available to discuss payment plans and address your questions and concerns.

Thank you,
