BYO

Always bring or have your guests bring their own food, drinks and utensils

STAY HOME

If you are sick or have been exposed to COVID-19 or recently traveled. Advise your guests to do so as well

WEAR A MASK

Especially indoors

KEEP IT SMALL

Only attend or host gatherings with 10 people or less

WASH YOUR HANDS OFTEN

And have hand sanitizer stations and available for guests

KEEP GARBAGES NEARBY

Ask guest to throw away their own garbage so you don't have to touch any items

BE BATHROOM- CONCIOUS

Make a clear path to the bathroom. Ask guests to use paper towels to turn off faucets, open doors, and flush the toilet
