December 23, 2020

Dear Lakeland Families,

We are pleased to announce an extension of the Seamless Summer Option (SSO). This same program has provided free school lunch for every Lakeland School student since the beginning of the school year. Through the USDA and DPI extension provisions, Lakeland School will continue offering free school meals to every student through the end of the 2020-2021 school year regardless of individual eligibility.

Following are a few very important details regarding this program:

- Even though school lunch is free to all students this school year, students that specifically qualify for free/reduced meals may be eligible to receive additional benefits (i.e., free morning milk for grades Pre-K-5, pandemic electronic benefits transfer (P-EBT), etc.). Any student with a 'paid' status is encouraged to complete the free/reduced meals application which can be completed electronically through your Family Access account or downloaded from Lakeland School's webpage: [Lakeland School Webpage](#)
- Charges for additional entrée items and/or milk remain in effect at the following rates: additional entrée EC-Elem=\$3.00 | MS-LSYou=\$3.50 | additional milk=\$.50
- Payments are required for lunch account balances carried over from the 2019-2020 school year. Statements of these outstanding accounts were provided with previous SSO notifications. We offer payment plans for any/all outstanding accounts. Please reach out to arrange a payment plan that works comfortably for you.

We are excited to be able to extend this free meal benefit and, as always, are available to address your questions and concerns.

Happy holiday wishes to you and yours!

Deb Funderburk
