

ACKNOWLEDGEMENTS

The Walworth County Land and Water Resource Management Plan was prepared under the guidance of the Walworth County Land Conservation Committee with the contributions from diverse group of citizens, natural resource professionals, and elected officials. Their input into the preparation of this plan was thoughtful, important and timely. Thanks to the many citizens who shared their vision, about the future of Walworth County's land and water resources. The following individuals have played an important role in advising the Walworth County Land Conservation Committee in charting the direction of this important resource management document.

LAND & WATER CITIZEN ADVISORY COMMITTEE - Plan Contributors

Mark Adsit	Tom Amon	Lori Artiomow	Eric Hudson
Mary Knipper	Roy Lightfield	Elizabeth Lyons	Joseph McHugh
Patricia Morton	Mariette Nowak	Tom Timm	Ed VanderVeen

ADDITIONAL PLAN CONTRIBUTORS –

Maureen McBroom – DNR	Greg Igl – USDA, NRCS	Tom Oasen, USDA, FSA
Peg Reedy – UWEX	Andy Yencha – UWEX	Michael Hahn - SEWRPC
Laura Kietti – SEWRPC	Suzanne Wade - UWEX	

WALWORTH COUNTY LAND CONSERVATION COMMITTEE

Dan Kilkenney	Randy Hawkins	Kathy Ingersol
Dorothy Burwell	Donald Henningfeld	

Walworth County Land Use and Resource Management Department

Michael Cotter, Director
Louise Olson, Deputy Director & County Conservationist

Land Conservation Division Staff

Joeann Douglas, Administrative Secretary
Brian Smetana, Rural Conservation Technician
David Duwe, Urban Technician
Christopher Rieck, Rural Conservation Technician
Fay Amerson, Urban Conservation Specialist
Audrey Greene, Lakes Specialist

Land Use Division Staff

Neal Frauenfelder, Planner
Matthew Weidensee, Planner
Debora Grube, Zoning Administrator
