Wetlands Notice to Permit Applicants

You are responsible for complying with local, state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply with federal, state and local wetland protection regulations may result in penalties and/or the removal or modification of construction that violates the law. For more information, visit the Department of Natural Resources wetlands identification web page or contact a Department of Natural Resources. <http://dnr.wi.gov/wetlands>

Additional Responsibilities for Owners of Projects Disturbing More One or More Acre of Soil

A Walworth County Storm Water Management Permit and a WDNR Storm Water Permit must be obtained, if one or more acres of soil is disturbed on this project site. Additional erosion control and storm water management practices and measures may be needed to comply with those County and State Storm Water Management Standards.
