

Project Information

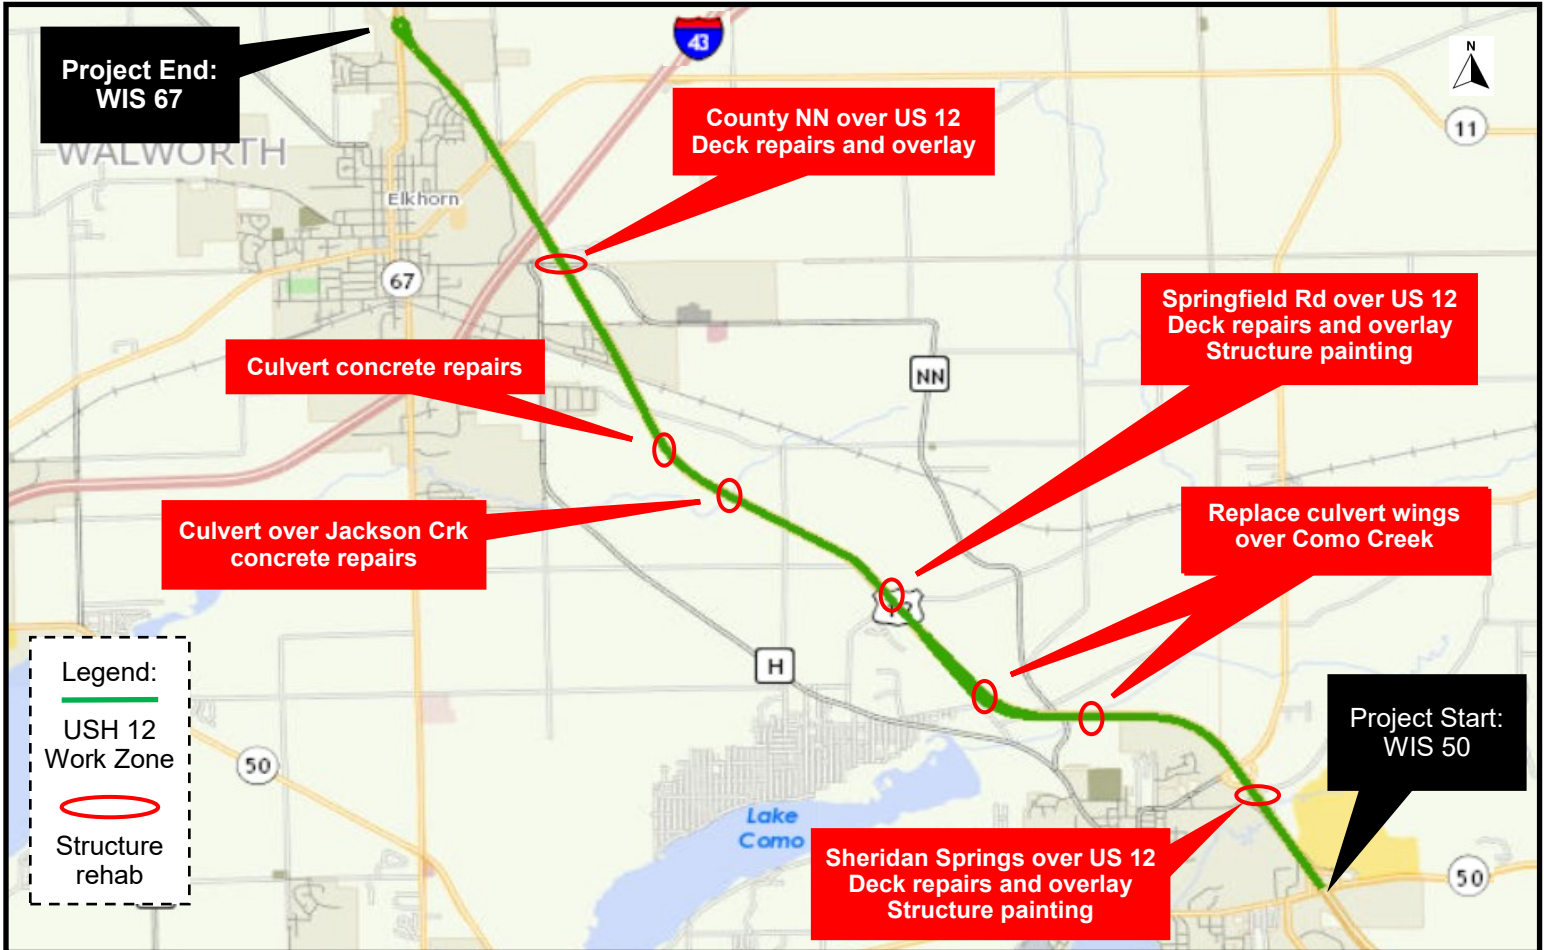

US Highway 12 Resurfacing Walworth County

I.D. 1080-12-70/72/73

Project Description

The US Highway 12 project will take place Between WIS 50 and WIS 67. The project is scheduled to be constructed during the 2022 and 2023 construction seasons. The total length of this project is approximately 9 miles, which is shown on the map below as a green line.

Project Overview

Beginning in March 2022, US Highway 12 is scheduled for construction from WIS 50 to WIS 67, with a scheduled completion of Fall 2023.

Work will be done under single lane closures as well as bi-directional traffic utilizing a crossover.

The project will include:

- Mill and Asphalt Overlay of existing pavement surface within the project limits
- Structure rehabilitation at several bridges and culverts
- New Guardrail within the corridor
- Signing and pavement marking upgrades within project limits
