

Walworth County Clean Sweep Hazardous Waste Collection

What is Clean Sweep? Clean Sweep is a collection of unwanted, unused, or damaged *household hazardous waste*. This program collects and disposes of waste in an environmentally safe method through a licensed hazardous waste facility. *Hazardous Waste* can usually be identified by product labels that contain any of the following words:

Caution, Warning, Danger, Poison, Toxic, Ignitable or Flammable, Acid, Corrosive, or Reactive

**** Keep hazardous materials in original containers and do not mix substances together. Place materials in a box lined with plastic to protect from spills. Place materials in trunk or truck bed, not in your front seat ****
